

DC Firefighters Burn Foundation

3002 12th St. NE Washington, D.C., 20017

2024 Night at the Wharf

Founded in 2004, the **DC Firefighters Burn Foundation** is a non-profit organization established by active and retired Washington, D.C. firefighters. The Foundation is dedicated to assisting in the recovery and rehabilitation of injured firefighters and burn survivors from the Washington metropolitan region. Since 2004 we have provided over \$2 million in funding for burn research, treatment, and rehabilitation programs at MedStar Washington Hospital Center and Children's National Hospital. Through our partnership with these two institutions, we offer a variety of aftercare programs for burn survivors that include adaptive sports programming, local outdoor recreation events, image enhancement products/training, a summer burn camp for young burn survivors, and survivor support groups, all at no cost to the burn survivor. Firefighters and members of the burn team have a special empathy for burn survivors. No other group witnesses more of the devastation that fire wreaks on the human body and spirit.

On May 4, 2024, the DC Firefighters Burn Foundation will host the ***Night at the Wharf*** on the penthouse level of 1000 Maine Ave SW at the Wharf in Washington, D.C. This event will offer attendees a taste of some of D.C.'s best restaurants and local spirits. In addition, attendees and sponsors will have an opportunity to bid on some great packages through our silent auction and enjoy an evening of live music and dancing.

We invite you to participate in this year's event by partnering with us and becoming a sponsor for the **2024 *Night at the Wharf***. The DC Firefighters Burn Foundation is a Non-Profit 501 (c)(3) organization established by the Internal Revenue Service, and sponsorships may be deducted as a charitable donation. All proceeds from the ***Night at the Wharf*** will benefit our burn survivor support programs and the pediatric burn care program at Children's National Hospital.

We hope that you will be able to join us by playing a part in changing the life of a burn survivor!

Sincerely,

Jason Woods
